Things to know about camp...

Counselors

All counselors attend training before camp and learn first aid and CPR. Many of our counselors are also poolside attendants & lifeguards.

Housing

Campers generally stay in home-away-from-home cabins with air conditioning. Kids must bring their own sheets or a sleeping bag and pillow.

Food

Cedar Ridge works hard to provide good, healthy meals with fruit options at each mealtime for overnight camp. If you have special dietary needs, please let us know on the medical form.

Activities

Camp activities include swimming, canoeing, archery, hiking, fishing, arts and crafts, campfires and Bible study, with plenty of opportunity for camper choices.

Field Trips

Each week something extra will be added to enhance camper's experience! We will even be going on many fun field trips this summer to the Falls of the Ohio, ice skating, a water park, and the Louisville Zoo!
